NAPA VALLEY
SAUVIGNON BLANC

The PARS 2025 Napa Valley Sauvignon Blanc embraces a classic, straightforward style that highlights freshness, purity, and balance. Crisp and clean by design, it captures the bright character that makes Sauvignon Blanc such a refreshing and versatile white wine.

TASTING NOTES

Pale straw in the glass, this Sauvignon Blanc opens with bright aromas of citrus, green apple, and subtle white peach. The palate is lively and refreshing, driven by crisp acidity and clean flavors of lemon zest, pear, and light stone fruit. A faint hint of fresh herbs adds lift and dimension without overpowering the wine's simple, focused character. The finish is brisk and refreshing, leaving a bright impression of citrus and minerality that invites another sip.
